STRENGTHENING early childhood in KANSAS

2019 2019

"We are ALL Early Childhood Stakeholders"
Governor Laura Kelly

How can we give all Kansas kids the best start in life?

FAMILY FRIENDLY. CHILDREN WELCOME!

JOIN A COMMUNITY ENGAGEMENT SESSION

KANSAS LEADERS WANT TO HEAR FROM YOU.

Parents of children of all ages, community and business leaders, health providers, early childhood providers, elected officials, and people passionate about the future of Kansas children and families are encouraged to participate in these community conversations.

This information will help Kansas create a strategic plan for early childhood. Attendees will be asked about:

- What is happening in your community to support parents, infants, toddlers, young children, and families that we should celebrate and grow?
- What areas are challenging and need more support and/or attention?
- How would you guide a family to resources and services in your community?
- What are your family's experiences?
