FAMILY FRIENDLY. CHILDREN WELCOME!

HOW CAN WE GIVE ALL KANSAS KIDS THE BEST START IN LIFE?

Kansas leaders want to hear from **YOU!**

ONE HOUR PUBLIC SESSIONS

Please join a Community Engagement Session to share your thoughts and experiences.

The event is open to anyone who is passionate about the future of Kansas children and families. Parents (of babies, toddlers, and young children), community leaders, health providers, early childhood providers, members of the business community, elected officials, and other interested parties are all encouraged to participate in these community conversations.

This information will help Kansas create a strategic plan for early childhood.

Attendees will be asked to share thoughts about:

- ★ What is happening in your community to support parents, babies, toddlers, young children, and families that we should celebrate and grow?
- ★ What areas are challenging and need more support and/or attention?
- ★ How would you guide a family to resources and services in your community?
- ★ What are your family's experiences?

If you have questions or would like more information, please visit kschildrenscabinet.org/early-childhood.
