

# Patient-Centered Mental Health in Pediatric Primary Care

A MINI-FELLOWSHIP PROGRAM FOR MEDICAL PROFESSIONALS

11:30 a.m. - 5:40 p.m., Friday, Sept. 13  
8 a.m. - 4:45 p.m., Saturday, Sept. 14  
8 a.m. - 1:15 p.m., Sunday, Sept. 15

**Sternberg Museum of Natural History, 3000 Sternberg Dr., Hays, KS 67601**

Our Patient-Centered Mental Health in Pediatric Primary Care (PPP) Mini-Fellowship program provides pediatricians, family physicians, nurse practitioners, physician's assistants, psychiatrists and neurologists with up-to-date training in the use of psychiatric medications for children and adolescents.

Participants can earn AMA PRA Category 1 Credits™ by completing the mini-fellowship components:

- A dynamic three-day, 15-hour interactive course focused on building skills and confidence in diagnosing and treating pediatric behavioral health problems.
- A six-month, case-based distance-learning program. Learners join 12 bi-monthly, 1 hour group conference calls with national primary care and child/adolescent psychiatry experts to learn how to manage pediatric mental health issues encountered in daily practice.

## COURSE GOALS

In order to effectively use medications for pediatric behavioral health problems, participants learn to:

1. Correctly identify and differentiate among pediatric behavioral health problems such as childhood depression, ADHD, bipolar disorder, anxiety states (including PTSD), oppositional and conduct disorders and psychosis.
2. Effectively manage psychopharmacology: selecting medications, initiating and tapering dosages, monitoring improvements and identifying and minimizing medication side effects.
3. Create and implement a treatment plan by mobilizing existing resources like family members, school personnel, and other professional caregivers.

## CME ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Arkansas for Medical Sciences (UAMS) Office of Continuing Education and The REACH Institute. The UAMS Office of Continuing Education is accredited by the ACCME to provide continuing medical education for physicians.
