

Article 1: Role of the Panel

The 2019 Kansas Statewide Early Childhood Care and Education Needs Assessment finds that greater systems alignment is needed to fully realize an efficient and robust early childhood care and education infrastructure. This informs **Goal 1: State-Level Coordination**, of the [All in for Kansas Kids Strategic Plan](#), which outlines the steps needed to ensure the early childhood care and education system is structured and aligned for maximum impact.

The Kansas Early Childhood Recommendations Panel is an advisory group to the Kansas Children’s Cabinet and Trust Fund. It plays a key role in enabling our state to implement the *All in for Kansas Kids* strategic plan, respond to challenges, elevate recommendations from communities and stakeholders, and make key decisions to help us achieve the vision outlined in our strategic plan.

Kansas [Executive Order 20-02](#) designates the Kansas Children’s Cabinet and Trust Fund (“Children’s Cabinet”) as the State Advisory Council on Early Childhood Education and Care. It states, “In order to support the Cabinet in fulfilling [these duties], the Cabinet shall convene and maintain a panel of volunteers (“the Panel”) with demonstrable early childhood expertise to operate at the pleasure of the Cabinet in an advisory role. The Executive Director of the Kansas Children’s Cabinet and Trust Fund shall coordinate the activities of the Panel on behalf of the Cabinet. The Kansas Children’s Cabinet and Trust Fund shall provide ongoing direction to the Panel, delineating areas in which it would benefit from the Panel’s expertise and establishing responsibilities, governance, and reporting structures as it finds beneficial.”

Article 2: Panel Membership

The Children’s Cabinet convenes, directs, and appoints members to the Kansas Early Childhood Recommendations Panel. The Children’s Cabinet appoints a chair to coordinate the work of the Panel.

Panel members' active engagement in both meetings of the full Panel and subcommittees or working groups is critical to the success of the Panel in fulfilling its role. Panel members should communicate with the Panel chair or staff if they will not be able to attend Panel meetings. The following constitutes grounds for discussion with a Panel member and possible recommendation to the Children’s Cabinet for termination of membership:

- absence from three (3) consecutive meetings of the full Panel in one year, or

The Panel will recognize that each and every Kansan has a vested interest in supporting our youngest Kansans and their families during a critical period of development that can set the trajectory for success in school and beyond. **We are all early childhood stakeholders.**

D. TRANSPARENCY AND ACCOUNTABILITY

The Panel will work **transparently and accountably** (*All in for Kansas Kids Guiding Principle*).

F. PUBLIC PARTICIPATION

The Kansas early childhood system needs Kansans’ engagement and input to work effectively and continuously improve. Stakeholders will be invited to share input on an ongoing basis through a variety of channels, including regular email updates, a public web portal, regular webinars, and the Kansas Early Childhood Stakeholders meetings. Stakeholders will have the

opportunity to identify opportunities for improvement or request study and potential action on particular issues by notifying Panel staff. Regular Panel meetings shall include a Kansans' Open Forum to provide Kansans the opportunity to share comments with the Panel. The presiding officer should determine appropriate constraints to balance the importance of gathering public feedback and allowing the Panel enough time to conduct its regular business. The posted agenda will outline the procedures for providing public feedback during the Kansans' Open Forum. Typical procedures will be as follows:

- Each speaker will be allowed to speak for three minutes.
- Panel members may ask clarifying questions of the person making the presentation. The speaker will have up to one minute to respond. The presiding officer may grant additional time.
- Information may be submitted to the Panel in written and electronic form. This information must be included in the meeting minutes.
- Following the Kansans' Open Forum portion of the agenda, the presiding officer will acknowledge the participants and announce that the Panel will determine if any of the issues will be addressed at future meetings.
- In the event of a meeting conducted virtually, the Panel may only accept written comments. The posted agenda will outline the procedures for providing written feedback.

G. PLACING ITEMS ON THE AGENDA

Panel meetings must include the opportunity for Panel members to request future agenda items for consideration at future meetings. The agenda will be posted to the Children's Cabinet website and shared at least one week prior to the meeting. Discussion will be limited to items on the proposed agenda. Should there be a desire to submit additional items for the agenda, changes to the agenda can be made by a majority vote at the beginning of each meeting.
